

Hope, 6

I WISH TO GO TO WALT DISNEY WORLD

Full of laughter and love, 6-year-old Hope captures your heart the moment she enters a room. So it is no surprise that this ray of sunshine wished to go to the “happiest place on earth”— Walt Disney World in Orlando, Florida.

As soon as they boarded the plane to Orlando, Hope was treated like royalty. While at Walt Disney World, Hope met many Disney characters including Mickey Mouse, Donald Duck, Tigger, Minnie Mouse and of course, Cinderella. However, the fun didn't stop there as the wish trip included visits to seven theme parks throughout Orlando.

Hope had a blast playing in the water fountains at Universal Studios and loved every second she spent at Sea World. What made the trip even more special for Hope and her family is that she got to enjoy her wish over her birthday! On the special day, Give Kids the World treated Hope a candy-topped pancake breakfast before heading to the parks for the day. Talk about a wish come true! She even received a set of custom sparkling pink princess Mickey Mouse ears fit for a princess!

Hope and her family had a wonderful time in Orlando. They soaked up the sun and enjoyed plenty of Disney magic. From being treated like royalty to meeting a Disney Princess, there are so many memorable moments for the family to reflect upon. Though princess Hope has returned to her kingdom, she can hold on to her pink princess Mickey Mouse ears and remember her wonderful wish.
